2	Soap boiling pan of 5 tons capacity	1
3	Crutcher with fittings	1
4	Causticiser with steam nozzles and stirring arrangements	1
5	Rotary pump with stand	1
6	Wool press	1
7	Soap plodder	1
8	Medium size soap frames with bottoms and W. I. side plates complete	3
9	Do wooden bottom and side plates complete	1

The articles will be sold to the highest bidder. The officer conducting the auction reserves to himself the right of rejecting the bid for any article if, in his opinion, it is inadequate. The highest bidder, whose bid is accepted, will be required to deposit at the close of the bid one-fourth of the amount of the total bid and the balance should be paid before the close of the next day. Failure to pay the balance of the amount on the next day and to remove the articles bid for within two days of the sale will entail forfeiture of the deposit and the bidder will have no claim whatever over the articles knocked down to him.

C. RANGANATHA RAO SAHEB,
Director.

GOVERNMENT OF MYSORE ELECTRICAL DEPARTMENT.

KOLAR GOLD FIELDS POWER AND LIGHTING.

Notification dated the 11th March 1930.

Notice is hereby given that sealed tenders will be received at the Office of the Chief Operator, C. P. S. Transformer Station, Kolar Gold Fields, up to 3 P.M. on 2nd April 1930, for the required repairs to the Transformer Station at Kolar Gold Fields.

The tenders will be opened in public at 3 P.M. on 2nd April 1930. The work should be pushed through and completed within one month from the date of acceptance of the tender.

The detailed estimate and conditions may be obtained at the Office of the Chief Operator, C. P. S. Transformer Station, Kolar Gold Fields, between the hours from 8 to 11-30 A.M. and 1-30 to 4-30 P.M. on any working day.

Tenders should be submitted in the usual form and be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed. The rates should be in figures as well as in words.

The final acceptance of tender will rest with the Chief Operator who is not bound to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

Each tender must be accompanied with an earnest money of Rs. 50 in cash or Government Promissory Notes and superscribed "Tender for repairing the Transformer Station at Kolar Gold Fields," in default of which, tenders will be rejected.

Within 10 days from the date of intimation the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered as cancelled and the earnest money will be forfeited.

The name of the successful tenderer will be posted in the Office of the Chief Operator, C. P. S. Transformer Station, Kolar Gold Fields, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

The construction work should be started within a fortnight from the date of the notification of acceptance of tender.

On acceptance of any of the tenders, the earnest money on rejected tenders will be returned.

Specifications for work are those recognised by the Mysore Public Works Department and Marryot's specifications.

The contractor should be bound by the conditions of the Schedule of contract of the Electrical Department.

Statement showing the approximate of quantities of work for repairing the Transformer Station at Kolar Gold Fields.
